EVENT RULES

- Competitors must be financial members of the AMBPA
- AMPBA rules will apply
- All entries must have an alternate frequency unless 2.4Ghz (i.e. D.S.M.) is the primary frequency. Primary and alternate frequencies should be shown as 637/648 (example only)
- Minimum of five boats to form a class. Depending on entry numbers, classes with 4 entries may be considered but will race for 1st place only.
- Each boat can only be entered in one class and have only one nominated driver
- The intention is to hold 4 rounds, time and weather permitting. **All completed class rounds will count**
- All competitors are forbidden to consume alcohol until the completion of their days racing
- Competitors, pit crews and race officials only in the pit area
- No boats to be started and/or run on the water before 8am
- A Contest Director will oversee the competition. His/her decision is final
- Designated CDs will oversee the event
- Objections are as per the AMPBA rules – Objection fee \$100
- All road signs on the access road are to be obeyed – no access to the mine site
- Petrol Class competitors to supply their own fuel as per Rule 14.4 of the current AMPBA Rule Book
- All boats and petrol class fuel must be available at any time during and after the event for scrutineering
- Scoring will be by AMPBA System A (Points for Place)
- **NO DRONES NOR THEIR OPERATION ARE PERMITTED AT THIS VENUE**
